Our role

We arrange leasing, hire and finance products provided by an extensive panel of funders to give our customers a wide choice of financial solutions. We are not linked to any of our lending panel members and a list of our lenders can be provided upon request.

We do not give advice or recommend products. After having discussed your needs and circumstances and explained the key features and benefits of the products available, we will provide you with personalised quotes for the product you have chosen. All rates quoted are subject to movements in our funder's cost of funds to the point of funding and are also subject to credit approval and agreed terms and conditions. The funder has the right to change or decline these quotes on receipt of the full proposal.

We also recognise that it is important for you to be able to explore alternative sources of credit.

Once a suitable facility has been agreed, we will present the lender's agreement to you to sign. We will discuss this with you, explain the terms of the agreement to you and give you time to ask any questions.

Our remuneration

In most cases we do not charge you directly for helping you arrange your finance facility. We are remunerated by way of an introductory payment payable by the funder. The nature of this payment and the effect on the interest rate you might pay will vary from funder to funder and is dependent upon a number of factors including (but not exclusive to) asset type, product chosen and customer circumstances and credit status.

You are entitled, at any time, to request information regarding any payment which we may have received as a result of placing your finance with a funder. This information will be available from your Relationship Manager within 48 hours of your funding being approved and you can request it by emailing or telephoning your Relationship Manager directly or by emailing operations@maffinancegroup.co.uk. You can also write to Midlands Asset Finance Ltd, 22-24 Maisies Way, The Village, South Normanton, Derbyshire, DE55 2DS.

- Act to avoid foreseeable harm to you
- Never put ourselves in a position where our primary duty to you is compromised

- Be transparent in the matter of our remuneration
- Respect your confidentiality

Privacy policy

We pay a data protection fee to the ICO under the Data Protection Regulations and abide by the requirements of the regulations. Our ICO reference number is ZA177963. We will use the contact information you provide to us to obtain quotations and arrange finance with lenders. Our notice will be provided together with this document and our full privacy policy can be viewed on our website www.maffinancegroup.co.uk.

In order to obtain a credit approval we may approach multiple funders on your behalf. Before you enter into any agreement with a funder, to help make credit decisions, the funder will make a credit search with a credit reference agency. If you are a company or partnership they will also make enquiries about the principle director(s) or partner(s) with a credit reference agency. Each search will leave a footprint on your credit file and may affect your ability to obtain future credit.

Each funder we use has their own privacy policy that explains how your data will be processed and shared. Full details of the use and disclosure of your information by the funder is contained within the terms and conditions of any agreement which you should read before signing.

You do not have to provide any information against your will, but this may affect your ability to obtain finance.
